POWERFUL UNION OF THE MOST TRUSTED GLOBAL BRANDS

Tremco Construction Products Group (CPG) India is a market leader in the manufacture of Construction Chemical products including seamless industrial and commercial resin flooring solution, waterproofing systems, roofing with insulation, systems for joints & durable sealants, admixtures, repair solution, fibres as well as other specialist construction products & coatings.

Tremco CPG India headquartered in Chennai serves expanding business opportunities across the Indian sub-continent's construction chemical Industry. Tremco CPG India belongs to an wider global Tremco Construction Products Group company (an RPM Inc. division) headquartered in Cleveland, Ohio (USA).

RPM International Inc. (\$5.6 Billion) an conglomerate with subsidiaries that manufacture and market high-performance specialty coatings, sealants and building materials.

156 Manufacturing facilities in **26** countries

Sales in **170** countries & Listed in NYSE

175 acquisition in 30 years

Tremco Construction Products group is a powerful union of some of the world's most trusted & leading chemical and coatings technology brands owned by RPM Inc. The complementary technologies and geographies of the businesses ensure that clients, wherever they are located, have access to its comprehensive product portfolio.

A Geographical sales and manufacturing footprint spanning six continents...

NORTH AMERICA

Canada, United States of America

EURASIA

Russia, Turkey

EUROPE

Belgium France, Germany Norway, Poland Sweden, Switzerland, United Kingdom, Netherlands, Austria, Czech Republic, Finland, Hungary, Spain, Slovakia

SOUTH AMERICA

Brazil, Chile, Columbia, Costa Rica, Eucuator, Mexico, Panama

OCEANIA

Australia & New Zealand

ASIA

Bangladesh, China, Hongkong, India, Indonesia, Malaysia, Philippines, Saudi Arabia, Singapore, Thailand, South Korea, Japan, Taiwan, UAE, Vietnam, Nepal, Bhutan, Sri Lanka, Israel

OUR BRAND PORTFOLIO

From admixtures, fibres, flooring to roofing & glazing our brand portfolio is as diverse as it is ever evolving. The strength and diversity of each brand – whether international or regional in scope – enable the group to meet all the needs of construction Industry.

Tremco CPG is an **ONE STOP CONSTRUCTION CHEMICAL SOLUTION PROVIDER** that transforms built environment into an high performance environment

Dryvit
EXTERNAL CLADDING SYSTEMS
 Leaders in Exterior insulation Finishing system (EIFS) industry for over 50 years. Completed 5,00,00+ projects globally.

Willseal
PRE-COMPRESSED JOINT SEALANTS
 Specialising in innovative, pre-compressed, fire rated joint sealants that provide solutions for expansion and movement joints.

TREMCO
WATERPROOFING & ROOFING
 Leading provider of roofing & weather proofing solutions, insulation & roofing, sealants, glazing, waterproofing and air barriers for over 90 years.

Vandex
CRYSTALLINE WATERPROOFING
 Inventor of crystalline waterproofing technology globally with 70 years of expertise.

Millbruck
GLAZING SYSTEMS
 High-performance sealants and installation systems (joint sealing tapes, flashing tapes, cartridge sealants and adhesives, strips, foils and accessories)

Nullifire
PASSIVE FIRE PROTECTION
 Specialist in intumescent & ancillary products for fire protection for over 40 years. (protect steel structures, service penetrations & construction movement joints).

EUCLID CHEMICAL
ADMIXTURES & CONSTRUCTION PRODUCTS
 For more than 100 years, served as a leading supplier of concrete admixtures, fibres, repairs, densifiers, floor hardener & other concrete products.

Flowcrete
RESIN FLOORING
 40 years of expertise in specialist resin flooring (Hygienic PU, Fast cure MMA, Carpark deck coating, Seamless terrazzo, Corrosion protection, Antistatic epoxy coating)

Why Tremco CPG?

Less time for construction

Lightweight, fast-curing & prefabricated products mean less occupant disruption, faster return to service, less revenue lost, and no call-backs.

Stronger & More Resilient

Our systems are designed for maximum durability, many with service lives far surpassing that of competing systems.

Our Services

Specification, technical detailing & onsite support. Global R&D support on product development and accredited / certified by leading industrial bodies.

One Point of Contact

Products are tested for compatibility and backed by system warranties - all through a single point of contact, with a single point of responsibility.

Any Look you Want

A wide range of colours and finishes for floors, walls, façades and roofs to provide almost unlimited design potential for your building project.

Impervious to Weather

Products designed for maximum protection from the elements, including above and below ground-level solutions to prevent the ingress of water.

100 Years of Trust

100 years of trust & expertise in building material industry with proven track record globally & locally.

Leading Edge Sustainability

Construction solutions that meet green building standards, enhancing building efficiency and conscious of the environment that surrounds us.

Tremco Construction Products Group, India

Concrete Admixtures

High performance (Accelguard, Plastol & Eucon brands) and specialty admixtures to provide highly durable & predictable concrete .

Fiber Reinforcement

Tuf-Strand SF for composite steel deck construction, replacement of limited structural steel in Precast, Pavements, slab on ground, & Shotcrete applications.

Bonding Agents

Epoxy Adhesives and other polymer bonding agents in low and high modulus variations with varied viscosities to ensure proper bonding.

Cure & Seal

Curing and sealing line includes solvent-based products, exempt solvent-based products for VOC- egulated areas, as well as water-based, low-odor products.

Concrete Repair

A range of repair products including patch repair, form & pour and resurfacing solutions for vertical, overhead, horizontal and underwater applications

Mining & Tunneling

Pre-cast segments, cast-inplace concrete, and shotcrete products designed for underground construction.

Grouts & Joint Fillers

Grouts to provide essential bearing and support for and joint fillers to prevent the break down of joint edges.

Decorative Concrete

Stamped or stained concrete solutions designed to replicate the natural patterns and textures found in nature.

Industrial Flooring

Range of resin flooring systems offer highly resilient & durable surfaces, suited for the challenging conditions of most of the industrial sector.

Decorative Commercial Flooring

Highly durable floor finishes by combining world-class design & superior aesthetics with high performance standards for all commercial venues & Institutional facilities.

Deck Membranes

Deckshield car park systems enhance visual appearance, improve light reflectivity, prevent water ingress & promote safety for any car park.

Levelling Compounds

variety of heavy-duty, self-smoothing, fast drying surface underlayment, surface treatments and DPMS.

Roofing

A range of high-performance roofing solutions to cater extreme weather and has numerous refurbishment options for all buildings.

Waterproofing

Coatings, crystalline treatments, and chemical grouts to prevent the passing of water through concrete surfaces (for any building and infrastructure applications).

Glazing

Close to 20,000 gasket profiles are available along with structural silicone sealants, glazing tapes weather sealants and other ancillary products

External insulation

Exterior Cladding, Energy Efficiency, Continuous Insulation, Air and Weather Barriers, Pannelization, Brick Veneer, and Exterior Cladding Renovation
